On 5th day of our internship all of us are fully motivated by the mom Vindhya who is working in the one of the great company - TCS from 4 years onward. The main content what we are discussed on that session is all about beyond technical skills. communication skill is also play very important role in the student life. what we have learnt in students life, what we have done in this session is every one should be free minded, confident, more attentive and should be in eye to eye contact, while communicating with others. The thing which we hold in our hand is not own, hands should be free, the things with comes to us is ours.
